2001 JUL 19 A 9 51

Dear Ms. Wilkens:

Following, please find responses to your request for additional information regarding the National Republican Congressional Committee - Expenditures Committee Year End Report (11/28/00-12/31/00).

- The totals listed on Lines 21 (a)(i) and 21 (a)(ii), column B of the Detail Summary Page have been corrected.
- Schedule H2 has been amended to reflect correct ratios.
- Memo Schedules have been provided to report the corporate in-kinds accepted.
- Expenditures itemized with the purpose Media Production and/or Media Placement have been made in connection with the Committee's generic media, not for the benefit of any specific candidate.
- Payments made to credit card companies have been broken down and that information is attached.
- You have noted that the Committee has reported various ratios on Schedule H2, which do not correspond to disbursements in this reporting period. In order to maintain consistency in the public record, it has been the policy of the Committee to report all active event/program codes regardless of the disbursement activity in any given period.
- Schedule B supporting line 23 has been amended to provide the state, district, and office sought by each candidate.

If you have any questions or concerns, please contact me at 202/479-7027.

Sincerely,

Donna M. Anderson
